

Dear friends

L'Arche has entered a Jubilee Year, so we would like to take the opportunity to gather in Czech Republic assistants, volunteers, friends, who have lived, spent some time in any L'Arche community in the world

**A chance:**

To meet each other, get to know each other better if you don't already know each other.

To bring the harvest of L'Arche experience that is in your country, where there is no L'Arche community yet, but you are somewhere 😊 spread across the country

To celebrate

To give thanks for L'Arche

To continue to make known the gifts of people with intellectual disabilities

To find new ways of being connected
